

I Can Change Your Life

Lloyd

Yeah, ohh ohh, yeah, yeah, yeah
I can change your life, baby I know what you're used to
And I can show you something that's better
(See girl, I know)
He used to abuse you, he only used to get on my level I can change your life
If you let me, I can do it
I know just what you need
I can change your life I can make you happy
Girl, if you let me
I'll make your puzzle complete
I can change your life I know just what you need and let me provide it
There's no need to fight it, jus' take it
'Cause as long as I'm breathing, you can believe it
Throw down on everything I love I wanna be, I wanna be, eh
I wanna be, I wanna be, eh, eh
Infinite, permanent, perfect fit for you I can change your life
If you let me, I can do it
I know just what you need
I can change your life I can make you happy
Girl, if you let me
I'll make your puzzle complete
I can change your life, yeah I can change your life
Girl, I'm asking you
I got plans for you and me
This is where you should be I can change your life
If you let me, I can do it
I know just what you need
I can change your life I can make you happy
Girl, if you let me
I'll make your puzzle complete
I can change your life I can change your life
If you let me, I can do it
I know just what you need
I can change your life I can make you happy
Girl, if you let me
I'll make your puzzle complete
I can change your life If you let me, I can do it
I can change your life
I can make you happy

Girl, if you let me
I'll make your puzzle complete
I can change your
