Alligator

Green Apple Quick Step

Hiding for the future, hiding because it's the way
She will plant
And give no grief to dispositionShe is an alligator
Bet she'll tell you laterI got the key twidle your head
Cause all the alligators know me
I knowUntold merry taleWith that she will seeWith one hell of a
All the betterShe is an alligator
Bet she'll tell you later
I got the key, by you and me
Cause all the alligators know me
I got the key, got an idea
Cause all the alligators know me
I told you not to move
And now you feel the powerzI know
