

Over You

Daughtry

Now that it's all said and done, I can't believe you were the one
To build me up and tear me down like an old abandoned house
What you said when you left, just left me cold and out of breath
I felt if I was in way too deep, guess I let you get the best of me Well, I never saw it coming, I should've started
running

A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know I'm slowly getting closure, I guess it's really over
I'm finally getting better
And now I'm picking up the pieces, spending all of these years
Putting my heart back together 'Cause the day I thought I'd never get through
I got over you You took a hammer to these walls, dragged the memories down the hall
Packed your bags and walked away, there was nothing I could say
And when you slammed the front door shut, a lot of others opened up
So did my eyes so I could see that you never were the best for me Well, I never saw it coming, I should've
started running

A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know I'm slowly getting closure, I guess it's really over
I'm finally getting better
And now I'm picking up the pieces, spending all of these years
Putting my heart back together 'Cause the day I thought I'd never get through
I got over you Well, I never saw it coming, I should've started running

A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know Well, I never saw it coming, I should've started running

A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know I'm slowly getting closure, I guess it's really over
I'm finally getting better

And now I'm picking up the pieces, spending all of these years
Putting my heart back together Well, I'm putting my heart back together
'Cause I got over you and I got over you
And I got over you 'Cause the day I thought I'd never get through
I got over you
