# Three Blind Mice

## Skinny Puppy

fascists can you hear it has begun seen the devil the outlived symptom
under the screams impress again shadow ways to do and joins from
everywhere treats my fallen character with no respect to taking it all away
diminutive drown to live the hope of anything obscene is so obscure
do it again installing public policy do it again ??? do it again
posture crumbling it has begun in part a life time decaying from
within maybe it was owner shape credit spend your life to win visible
all to see constantly in reapin the harvest eating the grain so show you
it's gone everything i had was stripped away
do it again ??? do it again the same fate ??? do it again ???
bromine bucket pile it has been done no one forever gone took and ???
a black ribbon
