Pretty Brown Eyes

Pmac

Go to sleep wake up you're pretty
with no make up
I like this right here.....
Go to sleep wake up you're pretty with....
This girl she came round the corner
Looking like a model
Magazine figure
She was shaped like a bottle
Long straight hair
She was fly as a bird
First time ever
I was lost for words
Felt so right
Just couldn't be wrong
Love at first sight
If that exists at all
I couldn't move
Felt like I was stuck
And then baby girl looked up
And I said
Hey there pretty brown eyes
Whatcha doing later tonight?
Would you mind if I spent a time with you?
And I said
Hey there pretty brown eyes
Whatcha doing later tonight?
Would you mind if I spent a time with you?
This girl she was a little hottie
She knows she's got it
Came from the city so she loves to party
The JT song make her move that body
She's dancing all night long
I could tell that she was a wild one
That's why I was shy at first
But I finally worked up the nerve
And I said
Hey there pretty brown eyes

Whatcha doing later tonight?

Would you mind if I spent time with you?
And I said
Hey there pretty brown eyes
Whatcha doing later tonight?
Would you mind if I spent time with you?
Spend a little bit
A little bit of time with you
Spend a little bit
A little bit of time with you
Spend a little bit
A little bit of time with you
Spend a little bit
A little bit of time with you
Hey hey little pretty brown eyes
Don'tcha ever be looking at them other guys
'Cause ain't never had no surfer like me
Start swimming over here and ride my wave
'Cause I see that you party like there's no tomorrow
Let's leave the party
I'll grab my guitar
I got the keys
So jump in my car
Sit back, relax
Australia's kinda far
Hey there pretty brown eyes
Whatcha doing later tonight?
Would you mind if I spent time with you?
And I said
Hey there pretty brown eyes
Whatcha doing later tonight?
Would you mind if I spent time with you?
Spend a little bit
A little bit of time with you
Spend a little bit
A little bit of time with you
Spend a little bit
A little bit of time with you
Spend a little bit
A little bit of time with you
