Crazy Love

Poco

Just you wait and see

I'll never be imprisoned by a faded memoryJust when I think I'm over her

This broken heart will mend

I hear her name and I have to cry

The tears come down againIt happens all the time, this crazy love of mine

Wraps around my heart, refusing to unwind

Crazy loveCount the stars in a summer sky

That fall without a sound

And then pretend that you can't hear

These teardrops comin' downIt happens all the time, this crazy love of mine

Wraps around my heart, refusing to unwind

Crazy loveTonight I'm gonna break away

Just you wait and see

I'll never be imprisoned by a faded memoryIt happens all the time, this crazy love of mine
