

# Take A Giant Step

## The Rockin' Berries

Though you failed at love and lost  
And sorrow's turned your heart to frost  
I will mend your heart again  
Remember the feeling as a child  
When you woke up and morning smiled  
It's time its time its time you felt like that again

There is just no percentage in remembering the past  
It's time you learned to live again and love at last  
Come with me leave your yesterday your yesterday behind  
And take a giant step outside your mind

You stare at me with disbelief  
You say for you there's no relief  
But girl I swear it won't do you no harm  
Don't sit there in your lonely room  
Just looking back inside that gloom  
Mama that's not were you belong  
Come with me I'll take you where the taste of life is green  
And everyday everyday hold on woman just got to be seen  
Come with me leave your yesterday your yesterday behind  
And take a giant step outside your mind

Though you failed at love and lost  
And sorrow's turned your heart to frost  
I will mend your heart again  
Remember the feeling as a child  
When you woke up and morning smiled  
It's time its time its time you felt like that again

There is just no percentage in remembering the past  
It's time you learned to live again and love at last  
Come with me leave your yesterday your yesterday behind  
And take a giant step outside your mind
