

# Everything I Said

## The Cranberries

It makes me lonely  
It makes me very lonely  
When I see you here, waitin' on  
It makes me tired, he makes me very tired  
And inside of me, lingers on  
But you have a heart  
Don't believe it, and you will find it  
Waitin' on  
Everything I said, oh, well I meant it  
And inside my head, holdin' on  
'Cause if I died tonight  
Would you hold my hand, no  
Would you understand  
And if I lived in spite  
Would you still be here, no  
Would you disappear  
Surely must be you  
But I don't make you lonely  
I'll get over you  
But I don't make you lonely
