

My Moon My Man - Boys Noize Classic Mix

Feist

My moon, the moon, my man, my moon, the moon, my man Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please My moon, my man, so changeable and such a loveable lamb to me

My care, my coat, leave on a high note, there's nowhere to go but on

Heart on my sleeve, not where it should be, the song's out of key again

My moon's white face, what day and what phase ?

It's the calendar page again Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

My moon and me not as good as we've been

It's the dirtiest clean I know

My care, my coat, leave on a high note

There's nowhere to go, there's nowhere to go Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

My moon, the moon, my man, my moon, the moon, my man

My moon, the moon, my man, my moon, the moon, my man

My moon, the moon, my man, my moon, the moon, my man

My moon, the moon, my man, my moon, the moon, my man

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please

Take it slow, take it easy on me

Shed some light, shed some light on it please
