# Angel

## Beverley Mitchell

Have you ever met an angel
Whose smile is like the sun
Whose laugh is like a melody
That reaches everyoneHave you ever hugged an angel
Swept up in their embrace
I swear there's nothing
In this world that makes you feel that safe[Chorus:]
Have you ever really loved an angel
Once you have you'll never be the same again
Have you ever had to let go of an angel
Say goodbye, let 'em fly,
my angel,
my best friendHave you felt the strength of an angel
When you need it the most
Lifted by those gentle wings
You know you're not alone
Every now and then I feel the peace inside
Wherever life may take me, I'm guided by that light[Chorus:]
Have you ever really loved an angel
Once you have you'll never be the same again
Have you ever had to let go of an angel
Say goodbye, let 'em fly,
my angel,
my best friendCause I have really loved an angel
How could I ever be the same
Cause I have had to let go of my angel
Say goodbye, let 'em fly,
my angel,
my best friend
