

A Gift of Love

Barry Manilow

Here in this silent night
Now all the world is right
As if we've suddenly been giving
A gift of love
A gift of love Warm as the fire glow
Soft as the falling snow
A precious miracles we live in
This wonder of a gift of love Night falls
At this coldest time of the year
Love calls
At this summer it's here Here where I love you so
Now as our blessings grow
We share the greatest gift we'll ever know
A gift of love
