

# Blow My Mind

## Big & Rich

Yee hah Tell me brother, sisters do you listen when it rains?  
Are you worried something's gonna end it all today  
Is there anything that you had wished that you had said  
Or is it all just bouncing like a bubble in your head Run, run 'til you're far away  
Run, run 'til you're far away  
'Cause if you want to blow my mind  
Then blow my mind, blow my mind  
If you want to blow my mind  
Blow my mind, blow my mind Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey Heart's a motor bigger than a Super-Nova train  
Shame it's got to deal with all the demons in your brain  
Tell me when you're ready, we can kiss and say goodbye  
Or if you want to, me and a few friends are gonna fly Run, run 'til you're far away  
Run, run 'til you're far away  
'Cause if you want to blow my mind  
Then blow my mind, blow my mind  
If you want to blow my mind  
Blow my mind, blow my mind Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey If you want to blow my mind  
It's time for you to start the show  
If you want to blow my mind  
It's time for you to let it go Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey Boom boom diddy diddy  
Boom boom diddy diddy

Boom boom diddy diddy  
Boom, hey Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom, hey
