Sorry Again

Velocity Girl

it will never happen again
is a promise i just can't keep
all alone on the porch
drifting off to sleep
i change this much this year
but i did it for you my dear
let me stick around
I'll never let you down
well i guess that i was wrong
well i was mistaken all along
it's hard to admit its the end
so i'll say i'm sorry again and again
wanted to change my mind
falling a bit behind
never be the same
refuse to take the blame
well i guess it happened again
if already didn't know
sometimes its hard to believe
we've sunk so low
