Sorry Again

Velocity Girl

it will never happen again is a promise i just can't keep all alone on the porch drifting off to sleep i change this much this year but i did it for you my dear let me stick around I'll never let you down well i guess that i was wrong well i was mistaken all along it's hard to admit its the end so i'll say i'm sorry again and again wanted to change my mind falling a bit behind never be the same refuse to take the blame well i guess it happened again if already didn't know sometimes its hard to believe we've sunk so low
