Unsearchable God

Unsearchable God by Justin Curtis Adams

Here I am, I stand amazed
In awe and praise, With every thing I am;
I sing til my voice gives out,
I will lift a shout of Praise.

Here I am, I stand amazed
In awe and praise, With every thing I am;
I sing til my voice gives out,
I will lift a shout of Praise.

Youâ€™re Unsearchable God, Youâ€™re a mystery Lord;
Youâ€™re Depth is unobtainable, Youâ€™re wealth is undeniable.

I am so in love and I am so in awe,
Youâ€™re ways are unexplainable and glorius.

Here I am, I stand amazed
In awe and praise, With every thing I am;
I sing til my voice gives out,
I will lift a shout of Praise.

Youâ€™re Unsearchable God, Youâ€™re a mystery Lord;
Youâ€™re Depth is unobtainable, Youâ€™re wealth is undeniable.

I am so in love and I am so in awe,
Youâ€™re ways are unexplainable and glorius.

Youâ€™re Unsearchable God, Youâ€™re a mystery Lord;
Youâ€™re Depth is unobtainable, Youâ€™re wealth is undeniable.

I am so in love and I am so in awe,
Youâ€™re ways are unexplainable and glorius.

From You, through You, to You
Are all things good!

From You, through You, to You

Are all things good!

Youâ€™re Unsearchable God, Youâ€™re a mystery Lord;
Youâ€™re Depth is unobtainable, Youâ€™re wealth is undeniable.

I am so in love and I am so in awe,
Youâ€™re ways are unexplainable and glorius.
Youâ€™re Unsearchable God, Youâ€™re a mystery Lord;
Youâ€™re Depth is unobtainable, Youâ€™re wealth is undeniable.

I am so in love and I am so in awe,
Youâ€™re ways are unexplainable and glorius.
