

# Love Don't Love Nobody

Phil Perry

Sometimes a girl  
Will come and go  
You reach for love  
But life won't let ya know  
That in the end  
You'll still be lovin' her  
But then she's gone  
You're all alone Sign of pain  
Is on my face, well  
My hearbeat stops  
But I won't take the blame, no no  
I gave her all the love I had within  
My love was strong  
Somethin' went wrong, no! no! It takes a fool to learn  
Yes sir  
That love don't love nobody  
Love love love love love love  
It takes a fool to learn  
Yes it does, girl  
That love don't love no one  
That love don't love no one  
It takes a fool to learn  
Stop to think about it, well  
That love don't love nobody  
Oh! Oh no!  
It takes a fool to learn  
When you're down and out, shout about it  
That love don't love no more  
Tell the world, oooh babe  
No more  
Oh, babe  
It takes a fool to learn  
Gotta be more careful about myself  
That love don't love nobody  
It takes a fool to learn  
Whoa baby, took me a long time to learn, to learn, well That love don't love no one  
It takes a fool to learn  
I was a fool, you were a fool  
That love don't love nobody

Now we got love, we need love  
It takes a fool to learn
