You Don't Deserve Me

Terminal Choice

I can't see what you do
I can't hear what you say
you don't impressed me
you can't see what I do
you can't hear what I say
I don't want you to knowyou don't deserve me
stay away from me
I can't stand it anymore
you don't deserve me
stay away from me
go away, please go awayI want your body
I don't want your soul
I just wanna fuck you
I don't really want your fucking heart
I just satisfied my greed
