

# Our Rage Won't Die

## Meshuggah

Cry if you need to, disguise, evade, hide  
Run 'til you hit water, then swim  
Murder in your wake, plan, commit, exact  
You have earned our rage, now fly  
Beg if you have to, trade away your pride  
Run 'til you hit ground, then dig  
Death in your wake, those fantasies enacted  
You will learn that our rage won't die  
You will surely pay the ultimate price  
There is no way you will escape our retribution  
It will not matter how long it takes  
You took them from us so we will take you  
Do you believe that luck will somehow stand you by?  
Do you really think our resolve will wane?  
Do you really think that it will dissipate?  
We will haunt you, we will come for you  
To collect on what you owe to us  
Eye for eye, life for life  
Only payment in full can end this strife
