

# Then You Kiss

## I Hate Kate

What you're cooking in the kitchen  
Is it more of your bitchin' attitude  
That you give, that you give, that you give  
But I don't want it  
I won't have it  
Oh, not today Well I saw you in the city  
You were looking really pretty  
All your friends, all your friends, all your friends were acting very strangely towards me  
You're up to no good  
Oh, not today Pull me from this paranoia Well you lie  
Then you kiss, then you kiss  
Then you kiss, then you try  
Then you miss, then you miss  
Miss then you lie  
Then you kiss, then you kiss  
Then you kiss other boys Well you lie  
Then you kiss, then you kiss  
Then you kiss, then you try  
Then you miss, then you miss  
Miss then you lie  
Then you kiss, then you kiss  
Then you kiss other boys You know you make me laugh  
You know you make me sick  
Telling all my friends that I got a small attention span  
That's not what you told me, not what you told me  
Not what you told me when you told me you loved me  
No, oh, oh And now we never walked down that street  
And we never danced to that beat  
And we never bring it down  
Down, down, oh like we used to  
You're up to no good  
Oh, not today Pull me from this paranoia Well you lie  
Then you kiss, then you kiss  
Then you kiss, then you try  
Then you miss, then you miss  
Miss then you lie  
Then you kiss, then you kiss  
Then you kiss other boys Well you lie  
Then you kiss, then you kiss

Then you kiss, then you try  
Then you miss, then you miss  
Miss then you lie  
Then you kiss, then you kiss  
Then you kiss other boys Is it a girl?  
Is it a girl?  
Is it a girl?  
You're getting under my skin  
Is it a girl?  
Is it a girl?  
Is it a girl?

Fingers pointing back at me no more Then you kiss, then you kiss

Then you kiss, then you try  
Then you miss, then you miss  
Miss then you lie  
Then you kiss, then you kiss  
Then you kiss other boys Well you lie  
Then you kiss, then you kiss  
Then you kiss, then you try  
Then you miss, then you miss  
Miss then you lie  
Then you kiss, then you kiss  
Then you kiss other boys Well you lie  
Then you kiss, then you kiss  
Then you kiss, then you try  
Then you miss, then you miss  
When you lie  
Then you kiss  
Then you kiss, kiss, kiss, kiss
