

Rain (Reprise)

Patty Griffin

It's hard to listen to a hard, hard heart
 Beatin' close to mine
Poundin' up against the stone and steel
Walls that I won't climb Sometimes a hurt is so deep, deep, deep
 You think that you're gonna drown
 Sometimes all I can do is weep, weep, weep
With all this rain fallin' down Strange, how hard it rains now
 Rows and rows of big dark clouds
 When I'm holding on underneath this shroud
Rain It's hard to know when to give up the fight
 Some things you want will just never be right
It's never rained like it has tonight before Now, I don't wanna beg you, baby
 For something maybe you could never give
 I'm not lookin' for the rest of your life
I just want another chance to live Strange, how hard it rains now
 Rows and rows of big dark clouds
 When I'm holdin' on underneath this shroud
Rain Strange, how hard it rains now
 Rows and rows of big dark clouds
When I'm holdin' on underneath this shroud
Rain Strange, how hard it rains now
 Rows and rows of big dark clouds
When I'm still alive underneath this shroud
 Rain, oh, rain, oh, rain
