

# Bonaparte's Retreat

[Onie Wheeler](#)

Met the girl I loved in a town way down in Dixie  
'Neath the stars above she was the sweetest girl I ever did see  
So I took her in my arms and told her of her many charms  
And kissed her while the organ played the Bonaparte's Retreat  
All the world was bright as I held her on that night  
And I heard her say, "Please don't ever go away"  
So I held her in my arms and told her of her many charms  
And kissed her while the organ played the Bonaparte's Retreat  
So I held her in my arms and told her of her many charms  
And kissed her while the organ played the Bonaparte's Retreat  
So I held her in my arms and told her of her many charms  
And kissed her while the organ played the Bonaparte's Retreat
