Wide Eyes

The Beautiful Mistake

Walking by your house,
and reeking of the drinks I've had
My life is just a waste, a blinded waste
and I'm wide awake
my eyes have met with yours
depressions gone away
I won't walk away from you
like the prodigal I've been
I'll never run away from you
'cause I've seen the other side
I'm never going back again
back again right now
with my eyes, my eyes wide open
my eyes, my eyes wide open
I walked away from you
and I walked away from you
