I Don't Want To Make You Wait

The Delfonics

Baby, baby, baby, baby, baby, babyIt's possible, my love, I could be wrong
And it's possible that the things I'll do take long
Like always being late and always breaking our date
You can't even concentrate and I don't want to make you waitI don't want to make you wait
I don't want to make you waitAnd it's possible, I could slow down and see
It's possible that love you will give to me
Is real, listen but still, I'm always doing you wrong
And you just tag along, gee, you must be strongI don't want to make you wait
I don't want to make you waitI said I'm always doing you wrong
And you just tag along
Gee, you must be strong
And I don't wanna do you wrongI don't want to make you wait
I don't want to make you wait
I don't want to make you wait
I don't want to make you wait
I don't want to make you wait
