

I Should Be

Dru Hill

Girl, I know he ain't takin' care of you
I see it in your face
And I know that's not the man that you really want
You know
So if you see me talkin'
Just come see me
I'm a better man any wayLies and deceit
I know you feel this with your man
'Cause within all I see is cryingI should be your boyfriend
(I should be your boyfriend)
'Cause you know he's lyin'
(?Cause you know he's lyin')
It might seem like I'm hating
(Might seem like I'mhating)
But girl, I'm just relatingStep one, walk through that door
Step two, tell him
He's not like he was before
You don't love him anymoreRound three, come to me
Step four, I'll love you more
You will see how love should be
But there's more steps to completeRemember the time
When he tried to be the one
Who would give all you deserved
Now he's not tryingI should be your boyfriend
(I should be your boyfriend)
'Cause you know he's lyin'
(?Cause you know he's lyin')
It might seem like I'm hating
(Might seem like I'mhating)
But girl, I'm just relating, take step oneStep one, walk through that door
Step two, tell him
He's not like he was before
You don't love him anymoreRound three, come to me
Step four, I'll love you more
You will see how love should be
But there's more steps to completeYou're what I'm lookin' for
Our love can mean much more
Than what he's givin' you
But you must let him know

That you can't take no more
Replace him with meSomeone to lend out his shoulder
That believes in someone deserves it
You can't figure out, what it's all about
Baby (Baby)Step one, walk through that door
Step two, tell him
He's not like he was before
You don't love him anymoreRound three, come to me
Step four, I'll love you more
You will see how love should be
But there's more steps to completeStep one, walk through that door
Step two, tell him
He's not like he was before
You don't love him anymoreRound three, come to me
Step four, I'll love you more
You will see how love should be
But there's more steps to complete
