I sold my soul just to hide the light  
And now I see what I really am  
A thief, a whore and a liar  
I run to you, call out your name  
I see you there, farther away  
I'm numb to you, numb and deaf and blind  
You give me all but the reason why  
I reach but I feel only air at night  
Not you, not love, just nothing

I run to you, call out your name  
I see you there, farther away  
Try to forget you  
But without you, I feel nothing  
Don't leave me here, by myself  
I can't breathe  
I run to you, call out your name  
And I see you there, farther away  
Farther away, farther away, farther away  
Farther away, farther a
