

# A Love So Beautiful

**Michael Bolton**

The summer sun went down on our love long ago  
But in my heart I feel the same old afterglow  
A love so beautiful in every way  
A love so beautiful we let it slip away We were all too young to understand to ever know  
That lovers drift apart and that's the way love goes  
A love so beautiful, a love so free  
A love so beautiful, a love for you and me And when I think of you I fall in love again  
A love so beautiful in every way  
A love so beautiful we let it slip away And when I think of you I fall in love again  
A love so beautiful we let it slip away  
A love so beautiful in every way  
A love so beautiful we let it slip away
