

Hallelujah

Abraham Hayibor

You are my everything
And everything is you
Everything is you
You are my hiding place
And I am safe with You
I am safe in You

(Pre - Chorus)

And it tells my heart
To love you as God
It tells my soul to worship You Lord
Forever I, I'm forever Yours
And I will sing, forever more

(Chorus)

Hallelujah, Hallelujah
Oh my soul, praise You Lord
Hallelujah, Hallelujah

You're my hearts desire
And I surrender all, I surrender all
And when I lose my way
Jesus leads me home, Jesus leads me home

(Pre - Chorus)

And it tells my heart
To love you as God
It tells my soul to worship You Lord
Forever I, I'm forever Yours
And I will sing, forever more

(Chorus)

Hallelujah, Hallelujah
Oh my soul, praise You Lord
Hallelujah, Hallelujah

Bridge

Maker of the skies

Author of my life

Praise your name, praise your name
Savior of the world, all over the earth
Praise your name, praise your name
(oh oh oh)

(Chorus)

Hallelujah, Hallelujah

Oh my soul, praise You Lord

Hallelujah, Hallelujah

Bridge

Maker of the skies

Author of my life

Praise your name, praise your name
Savior of the world, all over the earth
Praise your name, praise your name
(oh oh oh)

Hallelujah!
