The Plague And The Darkness

Saviour Machine

Then the fourth angel poured his bowlUpon the sun and the flames cameAnd men were scorched with fire, in blasphemy...The cursed the God of plagues...Then the fifth angel poured his bowlAnd his kingdom fell in darkness
Upon the throne of the beast
And in pain and disease..."Repent of all your demonsRepent of all your deedsDisgrace and blasphemy."Repent of wickedness"Repent of all your evilRepent from this unholyRepent of all your crimes
Betrayal and sacrifice.""Repent from your harlotRepent from your tyrantThe plague and the darkness
Have fallen in silence."
