10,000 Lovers

Ida Maria

I know 'cause you said so
You're loving lovely Lola
And kissing cutie Katie
And sexing sexy Sadie
I won't get in between ya
I'm not gonna Jolene ya now

I know the deal
When you pull the curtains down
That's the sign we agreed
For me to get out of town
But the northern winds are blowing hard
While someone's blowing you

Home sweet home ain't sweet anymore
I'm tired of sleeping on the bathroom floor
With ten thousand lovers and I'm one

I went to debaser
To watch Tegan and Sara
But they played so early
And I don't feel like dancing
And I don't feel like drinking
But I'm getting kind of hungry

The girl that served me the pizza
Said she also did ya
And the girl in line behind me
Said you've been behind her
I'm working hard to find a place in this town that
You've never been

Home sweet home ain't sweet anymore
I'm tired of sleeping on the bathroom floor
With ten thousand lovers and I'm one

Home sweet home ain't sweet anymore
I'm tired of sleeping on the bathroom floor
With ten thousand lovers and I'm one
