

# A Good Heart

[Maria McKee](#)

I hear a lot of stories, I suppose they could be true  
All about love and what it can do to you  
High is the risk of striking out, the risk of getting hurt  
And still I have so much to learn  
I know, 'cause I think about it all the time  
I know that real love is quite a price

CHORUS:

And a good heart these days is hard to find  
A good heart - True love, the lasting kind  
A good heart these days is hard to find  
So please be gentle with this heart of mine  
My expectations may be high, I blame that on my youth  
Soon enough I'll learn the painful truth  
I'll face it like a fighter then boast of how I've grown  
Anything is better than being alone  
I know 'cause I learn a little everyday  
I know 'cause I listen when the experts say

CHORUS

As I reflect on all my childhood dreams  
My ideas of love weren't as foolish as they seemed  
If I don't start looking now, I'll be left behind  
And a good heart these days is hard to find  
I know it's a dream I'm willing to defend  
I know it will all be worth it in the end

CHORUS x 2

With this heart of mine
