Angel

Dave Matthews Band

I call you up, you pick up You call my bluff on the cards of love You hold too close your hands to your chest I can't read your eyes but I confessIt's lonely far from you, oh Even when you're right by me It's only why I wait for you To take my handWhy do I beg like a child for your candy? Why do I come after you like I do? I love you Whatever you are, I swear you'll be my angel, youI play my cards the best I can But I lose my luck when you're not here My darling heart, won't ya please give in? I may be strong but I want ya back againWhen you're not here, oh it's hard to pretend It's all alright again When you're not here love, it's hard to pretend It's all alrightStill why do I beg like a child for your candy? Why do I run after you like I do? I love you Whatever you are, I swear you'll be my angel, youWatch the deck, count your cards It makes no sense that I'm always losin' When you're goneWhy do I beg like a child for your candy? Why do I come after you like I do? I love you Whatever you are, I swear you'll be my angel
