

# Atlanta

## Strawhorse

(Verse #1)

Helpless child, stainless soul!  
Never woke this morning!!!

Freak show goes, squeeze reload!  
Random assassination!!!

Southern heat, tragedy!  
Left sweet Atlanta shaken!!!

(Chorus #1)

The world is talking about you!  
Not your private holy war!

(Verse #2)

Bible belt, not exposed!  
Cultural mutation!!!

Deadly seals, soon unfold!  
Atlanta's heart is breaking!!!

(Chorus #2)

The world is talking about you!  
Not your private holy war!-(x2)

(Verse #3)

Runnin around chasing those with an answer...  
The truth lies buried...  
Beneath our feet!!!

(Chorus #3/Outro)

The world is talking about you!  
Not your private holy war!!!
