All I Want

Jeff Deyo

I come with a heart that is desperate
And I cry, wanting just to be heard by You
And I pray that You won't remain silent
That You'll stand here beside me
That my heart won't call out in vain'Cause all I want is just to see You, Jesus
And I long, just to hear Your voice
And I need, just to be near You
'Cause Your presence is all I wantI come with a heart that is hungry
And I sing, wanting You just to know my love
And I pray that my life will be counted
For the sake of Your Kingdom
That my heart will be truly Yours'Cause all I want is just to see You, Jesus
And I long, just to hear Your voice
And I need, just to be near You
'Cause Your presence is all I wantOne day we'll look on Your face
We'll see You in all of Your glory
And we won't need the sun
And we won't need the moon
All we will need is You'Cause all I want is just to see You, Jesus
And I long, just to hear Your voice
And I need, just to be near You
'Cause Your presence is all I want'Cause all I want is just to see You, Jesus
And I long, just to hear Your voice
And I need, just to be near You
'Cause Your presence is all I want
