

I Want It

Guano Apes

AaaI'm feeling like an angel
Oh, I'm feeling like a buttercup
We're sailin' around the world
Yeah, I like the kind of irony in my lifeDon't you know that I'm your angel?
Don't you know, we are all paranoid?
Don't you know that I am in anger?
Yes, I come out at night and surprise you with ourRight now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
I want it right nowIll bake you like cookies
Guano around the world
Forty five degrees and we smile
We love what we do and you do what weWant now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it right now)Right now
Right now
Right now
Right nowGet up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my lifeGet up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my lifeRight now
(I want it, I want it)
Right now
(I want it, I want it)

Right now
(I want it, I want it)
Right now
(I want it right now)Right now
Right now
Right now
Right now(Right now)
Were here, were alive, were around
(Right now)
And we act like fools
(Right now)
Were here, were alive, were around
(Right now)
And we act like fools come and [Incomprehensible]
