

Why Does Love Do This To Me?

The Exponents

I walked out, you left me, you know I'm hurting for you
It seems now that it's over but there is nothing I can do I don't know oh oh oh why does love do this to me
I don't know I don't know Jackie came she went away deep in the valley I kissed her that day but
It seems I'm thinking of you but I'm still thinking about myself I don't know oh oh oh why does love do this to
me
I don't know oh oh oh why does love do this to me
I don't know I don't know I miss you, you know that, but when I see you sometimes
I'm cut out here and I'm broken
There am I asking you how you are Jackie came she went away deep in the valley I kissed her that day but
It seems I'm thinking of you but I'm still thinking of someone else Well I don't know oh oh oh why does love do
this to me
I don't know oh oh oh why does love do this to me
I don't know I don't know Yeah Yeah Yeah Yeah I don't know oh oh oh why does love do this to me
I don't know oh oh oh why does love do it to me
I don't know oh oh oh why does love why does this do it do it do it to me
I don't know oh oh oh why does love do this do this to me
I don't know I don't know I don't know
I don't know
