Neither Can I

Slash's Snakepit

I once had a friend
They found him in a car
A hose to the window
And the motor running hotSeems he couldn't take it, the rhetoric of life
Someone found him naked
With a note right by his side, by his side
Oh, by his sideHe can't take it back
Neither can I
No, neither can IMommy and Daddy
I've borrowed the car to sleep on the floor
I'm sorry so much for bringing
My own living hell to your doorThanks for all the flowers
At the ringside seat
Thanks for nothing everyone
The prayers were too weakThis is the way
It happens all the time
Can you pay attention
To everyone that cries?Remember, you can make it through
And make it new
Only if you try
You gotta try'Cause you can't take it back
And neither can I
No, neither can IMommy and Daddy
I've borrowed the car to sleep on the floor
I'm sorry so much for bringing
My own living hell to your doorBut things had gotten heavy
Everything was deep
Nothing really mattered
So I just went to sleep, I just went to sleepAnd I can't take it back
I won't tryI won't try
I won't try
I won't try
I won't tryMommy and Daddy
I've borrowed the car to sleep on the floor
Mommy and Daddy
I'm sorry to tell you, life is a boreDon't send any flowers
Don't send anymore
'Cause I can't give it back
No more
