Apeman

Gravity Co.

27 came and went the Apeman
Didn't leave a single dent the Apeman
Still escape with my contempt the Apeman
Signed the ApemanSooner or later Ill present the Apeman
Go call the Doctor in the tent Apeman
Mr. Jekyll howve you been the Apeman
Heres the Apeman ApemanGo for broke
Anyone can take it
Money turning
My God it slips away
Stuff my pockets
Never wanna stop it
I know how
Its gonna end todayGive me something to resent the Apeman
What incentive just intent the Apeman
No ones able to prevent the Apeman
Signed the ApemanSooner or later Ill present the Apeman
Go call the Doctor in the tent Apeman
Mr. Jekyll howve you been the Apeman
Heres the Apeman ApemanGo for broke
Anyone can take it
Money turning
My God it slips away
Stuff my pockets
Never wanna stop it
I know how
Its gonna end todayKnow my place
Nobody can take it
Money turning
My God it slips away
Stuff my pockets
Never wanna stop it
I know how
To take it all today
