

# I'll Call You Mine

## The Zombies

Though you and I would dance and laugh and play  
Walk in the light of day  
And talk the night away  
Could you see, baby you understood then  
That I loved you, how I loved you I couldn't chance to break the spell we had  
The happy times we had  
And yet the times were sad  
Just for me, baby you understood then  
I was afraid to try to call you mine But now you've come to me  
(I'll call you mine)  
You've brought your love to me  
(I'll call you mine)  
You'll never look away  
Or ever me say  
(I'll call you mine) But now you've come to me  
(I'll call you mine)  
You've brought your love to me  
(I'll call you mine)  
You'll never look away  
Or ever me say  
(I'll call you mine) I couldn't chance to break the spell we had  
The happy times we had  
And yet the times were sad  
Just for me, baby you understood then  
I was afraid to try to call you mine But now you've come to me  
(I'll call you mine)  
You've brought your love to me  
(I'll call you mine)  
You'll never look away  
Or ever me say  
(I'll call you mine)
