Holy Water

Ashley McBryde

Amazing Grace, How sweet the sound
That saved a wretch like me
I once was lost, but now am found
was blind but now I seeâ€¦â€¦..
Father, Father, Here my confession
I aint had a prayer, For whatâ€™s been years
Mary, I have not seen her face, said her name, felt her grace
Thatâ€™s how I wound up your place sitting right here
Got my head now, Gotta get it all out
Lord, thereâ€™s just something about breaking all the rules
But I canâ€™t resist a real good time
Swear Iâ€™m not the cheating kind
But Once again I find myself with nothing left to lose
Salvation in a bottle
Sweet redemption in a glass
I Need 90 proof forgiveness
Pour a double make it fast
Have Mary turn the jukebox up
This old girl just had enough
And Iâ€™m waiting here at the alter for that holy water
Just keep em coming, I donâ€™t want to feel nothing
Unless you got something
TO change my ways
Because Iâ€™m the patron saint of bad good byes, heartbreak proof and 12 foot high
Donâ€™t bother saving me tonight
Itâ€™s to late
Salvation in a bottle
Sweet redemption in a glass
I Need 90 proof forgiveness
Pour another make it fast
Have Mary turn the jukebox up
This old girl just had enough
And Iâ€™m waiting here at the alter for that holy water
Salvation in a bottle
Sweet redemption in a glass
I Need 90 proof forgiveness
Pour me a double make it fast
Have Mary turn the jukebox up
This old girl just had enough

And Iâ€™m waiting here at the alter for that holy water
for that holy water
