Iron Out the Rough Spots

Paul Young

The rough spots
The rough spots
(Iron out) the rough spots
(Iron out) the rough spots
(Iron out) the rough spots
(Iron out) the rough spotsI've been feelin' meager
Been hurt so many times
But I've got faith in you
You can ease my troublin' mindHurts gotta hold on me girl
And i can't explain just what it is now
But if you'll turn to me
I'll be alright if you willCome on now
Iron out the rough spots
Iron out the rough spotsHurts gotta hold on me girl
And i can't explain just what it is now
But if you'll turn to me
I'll be alright if you willIron out the rough spots
Iron out the rough spots
Iron out the rough spots
Iron out the rough spotsWhat you gon' do?
About this wrinkle in my heart?
(About this wrinkle in my heart?)
Say, whatcha gonna do?
(About this wrinkle in my heart?)
(About this wrinkle in my heart?)Well, I'll be headed in the right direction
You just give me twenty-four hours of your protection
And I'll be headed in the right direction
Twenty-four hours of your protection
Heading in the right direction
Twenty-four hours of your protectionIron out the rough spots
Iron out the rough spots
Iron out the rough spots
Iron out the rough spotsThe rough spots
The rough spots
The rough spots
The rough spots
The rough spots
The rough spotsHeading in the right directionIron out the rough spots
Iron out the rough spots

Iron out the rough spots
Iron out the rough spots
Iron out the rough spots
Iron out the rough spots
Iron out the rough spots
Iron out the rough spots
