

Slipping

Jagwar Ma

[Verse]

Waste, oh oh

Waste, oh oh

Cause time is slipping away

Someone wait, oh oh

Save your soul

Cause time is slipping away so fast

Time is slipping away so fast[Pre-Chorus]

So paint your pictures in your mind

In your mind

It's alright

We dance in circles 'til we're tired

Then we'll rise

Forever

[Chorus]

Oh don't you know forever

Never lasts

Never lasts

Oh don't you know forever

Never lasts

Never lasts[Post-Chorus]

Time slipping

Time slipping

Time slipping

Time slipping, slipping[Pre-Chorus]

So paint your pictures in your mind

In your mind

It's alright

We dance in circles 'til we're tired

Then we'll rise

Forever[Chorus]

Oh don't you know forever

Never lasts

Never lasts

Oh don't you know forever

Never lasts

Never lasts[Outro]

Waste, oh oh

Waste, oh oh
