Better Than Nothing

Sarah Jaffe

It's better than nothing girl
It's better than nothing at all
It's better than nothing girl
It's better than nothing
Let's find a hideaway tonight
Somewhere where we can be together
I'm tired of waiting for the right time
If this is not the Ritz whatever
It's better than nothing girl
It's better than nothing at all
It's better than nothing girl
It's better than nothing
I wanna hold more than your hand
I wanna touch more than emotion
You don't need words to understand
This hole might be run down and broken
It's better than nothing girl
It's better than nothing at all
It's better than nothing girl
It's better than nothing
Don't think because
I just can't wait that I don't care
This isn't meant to be
A back seat love affair
It's better than nothing girl
It's better than nothing at all
It's better than nothing girl
It's better than nothing
It's better than nothing girl
It's better than nothing at all
It's better than nothing girl
It's better than nothing
