

# Successive Substitution

## Disharmonic Orchestra

A nightmare tortures my brain  
Thousands die for a wrong ideology  
Your thoughts remain the same  
That's the end of humanity  
The nuclear solution  
Is dropped on your head  
Radiation overdose  
Makes you sick  
Your lungs are decaying  
Rigor Mortis makes your  
Spirit has left your body  
You will rest in peace
