

All I Know About You (2000 Box Set Version)

The Supremes

Baby, I know all about you
I heard long ago about you
They say you're mighty fast
You've got a wicked past
Ooo, all I know about you You'll never get my heart
Won't be upsetting my heart
I'll never treat you, won't
I'm just too well in bond
Ooo, all I know about you And if you think that you
Can steal my heart away
Why don't you try, I dare you to try
If you play you're gonna lose the game 'Cause I will never take my guard away
Come on and try
Though I'm nice I'll be cold as ice
'Cause I know all about you Baby, I know all about you
There's nothing slow about you
Kiss me and then you'll see
Wonder within of me
Ooo, all I know about you Baby, I'm mad about you
I'm so glad about you
One little kiss and wow
I'm a believer now
Ooo, all I know about you, baby I'm so wild about you
I feel like a child about you
It felt like this before
I wanna kiss more
Ooo, all I know about you, baby I know all about you
And I like what I know about you
One little kiss and wow
I'm a believer now
Ooo, all I know about you
