

# More God

## NewSong

Well, well, well  
Seems like it was only yesterday when mama told me  
"Don't fall in love with the first girl that comes your way."  
She was pretty and nice but I took her advice  
And passed her by  
Years have passed and I don't know  
If love's gonna give me a second try Well, the look on your face tells me you understand  
Could it be your lovelife, like mine, needs a helping hand? Well, you need love like I do, don't you?  
I can tell by the way you look, when I'm looking at you (Take It Girl)  
I know it ain't fit and proper for a girl to talk this way  
But I can't cope with this loneliness  
Not one more God damned day  
Everyday bringing up your side to keep my hopes afloat  
Judging by your silence, boy, you must be in the same boat Well, you need love like I do, don't you?  
I can tell by the way you look, when I'm looking at you  
You need love like I do, don't you?  
It seems like I'm looking in the mirror  
When I'm looking at you I can't begin to tell the many nights I sat home lonely  
Come on, tell me girl, has it ever happened to you?  
I'm gonna tell you something and believe me  
It ain't no joke  
My lovelife is just like a sinking boat I can understand a person being without money  
You can show me the reason for a person to be without love Listen to me now, I'm a girl and you're a guy. (yes  
it's true)  
Come on let's give love a try. (haha, yeah) You need love like I do, don't you?  
I can tell by the way you look, when I'm looking at you Finding true love is a dream everybody wants to come  
true  
Can't you see?  
It's up to us to make this dream come true You need love like I do, don't you?  
I can tell by the way you look, when I'm looking at you  
(Well, well) You need love like I do, don't you?  
It seems like I'm looking in the mirror  
When I'm looking at you Ain't it true? Ain't it true? Ain't it true?  
Ain't it true? Ain't it true? Yes, it's so true  
Yeah, yeah, yeah  
Well, well, well, well, well, well, well  
You need love too You need love like I do, don't you?  
I can tell by the way you look, when I'm looking at you  
(Hey, hey) You need love like I do, don't you?

It seems like I'm looking in the mirror  
When I'm looking at you You need love like I do, don't you?  
I can tell by the way you look, when I'm looking at you  
You need love like I do, don't you?  
It seems like I'm looking in the mirror  
When I'm looking at you Ain't it true girl?  
Well, I'm in love  
I need love  
And I need you  
And I need you too
