More God

NewSong

Well, well, well

Seems like it was only yesterday when mama told me "Don't fall in love with the first girl that comes your way."

She was pretty and nice but I took her advice

And passed her by

Years have passed and I don't know

If love's gonna give me a second tryWell, the look on your face tells me you understand Could it be your lovelife, like mine, needs a helping hand?Well, you need love like I do, don't you?

I can tell by the way you look, when I'm looking at you(Take It Girl)

I know it ain't fit and proper for a girl to talk this way

But I can't cope with this loneliness

Not one more God damned day

Everyday bringing up your side to keep my hopes afloat Judging by your silence, boy, you must be in the same boatWell, you need love like I do, don't you?

I can tell by the way you look, when I'm looking at you

You need love like I do, don't you?

It seems like I'm looking in the mirror

When I'm looking at youI can't begin to tell the many nights I sat home lonely

Come on, tell me girl, has it ever happened to you?

I'm gonna tell you something and believe me

It ain't no joke

My lovelife is just like a sinking boatI can understand a person being without money
You can show me the reason for a person to be without loveListen to me now, I'm a girl and you're a guy. (yes
it's true)

Come on let's give love a try. (haha, yeah)You need love like I do, don't you?

I can tell by the way you look, when I'm looking at youFinding true love is a dream everybody wants to come true

Can't you see?

It's up to us to make this dream come trueYou need love like I do, don't you?

I can tell by the way you look, when I'm looking at you

(Well, well) You need love like I do, don't you?

It seems like I'm looking in the mirror

When I'm looking at youAin't it true? Ain't it true? Ain't it true?

Ain't it true? Ain't it true? Yes, it's so true

Yeah, yeah, yeah

Well, well, well, well, well, well

You need love too You need love like I do, don't you?

I can tell by the way you look, when I'm looking at you

(Hey, hey) You need love like I do, don't you?

It seems like I'm looking in the mirror
When I'm looking at youYou need love like I do, don't you?
I can tell by the way you look, when I'm looking at you
You need love like I do, don't you?
It seems like I'm looking in the mirror
When I'm looking at youAin't it true girl?
Well, I'm in love
I need love
And I need you
And I need you too
