

Within You Without You

The Beatles

We were talking - about the space between us all
And the people - who hide themselves behind a wall of illusion
Never glimpse the truth - then it's far too late - when they pass away.

We were talking - about the love we all could share - when we find it
To try our best to hold it there - with our love
With our love - we could save the world - if they only knew.

Try to realise it's all within yourself
No-one else can make you change
And to see you're really only very small,
And life flows on within you and without you.

We were talking - about the love that's gone so cold and the people,
Who gain the world and lose their soul -
They don't know - they can't see - are you one of them?

When you've seen beyond yourself -
Then you may find peace of mind, is waiting there -
And the time will come when you see we're all one,
And life flows on within you and without you.
