Not Such an Innocent Girl

Victoria Beckham

Ooh baby
(Hey, oh-whoa, baby)
I'm not such an innocent girlFirst impressions can be wrong
So let me clear what's goin' on
Baby I'm not
Who you think I amI need to feel some lips on mine
So pulling you across the line
You think I'm the fragile one
One slip the damage doneI'm not made of China
I'm not made of glass
Would it shatter your illusions
if this angel had a past?If you touch me I won't break
Don't think of me that way
I'm not such an innocent girlDon't wrap me up in cotton wool
Upon a pedestal
I'm not such an innocent girl
(I'm not such an innocent)I've got a secret rose tattoo
I'm dyin' just to show you
I'm not as shy as
You think I am, oh babyIt's time to take off those kid gloves
T.K.O. me fall in love
Don't be scared, you'll break my heart
Not gonna fall apartI'm not made of China
I'm not made of glass
Would it shatter your illusions
If this angel had a past?If you touch me I won't break
Don't think of me that way
I'm not such an innocent girlDon't wrap me up in cotton wool
Upon a pedestal
I'm not such an innocent girlIf you touch
If you touch me I
If you touch me I won't breakIf you touch
If you touch me I
If you touch me I won'tIf you touch me I won't break
(Oh-oh, oh whoa, whoa-yeah)
Don't think of me that way
I'm not such an innocent girlDon't wrap me up in cotton wool
(Come on, woo)
Upon a pedestal

I'm not such an innocent girl
(I'm dyin' just to show you)If you touch me I won't break
(I won't break)
Don't think of me that way
Not such an innocent girlDon't wrap me
(No-oh-whoa)
I'm not such an innocent girlIf you touch me I won't break
(I won't break)
Don't think of me that way
I'm not such an innocent girlDon't wrap me up in cotton wool
Upon a pedestal
I'm not such an innocent girlIf you touch me I won't break
(If you touch, no I won't fall apart)
Don't think of me that way
(No you won't break my heart)
