

Light Of A Million Mornings

Sarah Geronimo

Verse1:

I couldn't see the sunshine through the shadows
I couldn't seem to find the soul to care
And in my Darkest hour
You touched me with your power
And when I looked your light was everywhere

Chorus:

The Light of a million mornings filled my heart
the sound of a million angels sang my song
the warmth of a love so tender
touched my life and suddenly
the light of a million mornings start in me...

Verse 2:

I never tried to understand the sunrise
I only know it takes away the dark
I cant explain your healing
Or all the joy I'm feeling
I only know you've come into my heart

(Repeat Chorus)

And now that your glory has come shining through
let my light be a candle lord
That shines for you
shines for you
shines for you

The light of a million mornings filled my heart
the sound of a million angels sang my song
the warmth of a love so tender touched my life
And suddenly
Oh, the light of a million mornings has start..
the light of a million mornings has start..
Oh, the light of a million mornings has start in me...
