

For The First Time In Forever

Kristen Bell, Agatha Lee Monn & Katie Lopez

The window is open, so's that door
I didn't know they did that anymore
Who knew we owned eight thousand salad plates?
For years I've roamed these empty halls
Why have a ballroom with no balls?
Finally they're opening up the gatesThere'll be actual real live people
It'll be totally strange
But wow, am I so ready for this change!'Cause for the first time in forever
There'll be music, there'll be light
For the first time in forever
I'll be dancing through the night
Don't know if I'm elated or gassy
But I'm somewhere in that zone
'Cause for the first time in forever

I won't be aloneI can't wait to meet everyone! What if I meet... the one?Tonight imagine me gown and all
Fetchingly draped against the wall
The picture of sophisticated grace
I suddenly see him standing there
A beautiful stranger, tall and fair

I wanna stuff some chocolate in my faceBut then we laugh and talk all evening,
Which is totally bizarre
Nothing like the life I've led so farFor the first time in forever
There'll be magic, there'll be fun
For the first time in forever
I could be noticed by someone
And I know it is totally crazy
To dream I'd find romance
But for the first time in forever

At least I've got a chanceDon't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, put on a show
Make one wrong move and everyone will knowBut it's only for today
It's only for todayIt's agony to wait
It's agony to waitTell the guards to open up the gate
The gateFor the first time in forever

Don't let them in, don't let them seeI'm getting what I'm dreaming of
Be the good girl you always have to beA chance to change my lonely world
ConcealA chance to find true love
Conceal, don't feel, don't let them knowI know it all ends tomorrow,

So it has to be today
'Cause for the first time in forever
For the first time in forever
Nothing's in my way!
